### Multi-Session Package Fee Schedule

Clients who complete at least one session at the standard rate, have the option to schedule multiple future sessions by taking advantage of our Multi-Session offer. A client who purchases a Multi-Session Package must pay for the entire package up front. These purchases can be made at the end of the first session. **Multi-Session Packages are non-refundable.** Clients may reschedule one (1) session due to emergency or sickness. Each session is for 45-60min unless otherwise noted. The offer does not apply to our free consultations.
